

China Energy Tractor

PROUCT LIST

FARM TRACTOR 8+2 SHIFT PRICE

Model	Photo	Configuration	Note
254		25hp, wheel tractor 4x4, Overall Size:3150x1450x2030,weight:1400kgs, Four stroke diesel Engine: Laidong KM385, 4 cylinders, 8F+2R shift, single clutch, hydraulic steering type, front tires 6.0-16, rear tires 9.5-24, 1 group hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS	
304		30hp, wheel tractor 4x4, Overall Size:3150x1450x2030,weight:1400kgs, Four stroke diesel Engine: Laidong KM385, 4 cylinders, 8F+2R shift, single clutch, hydraulic steering type, front tires 6.0-16, rear tires 9.5-24, 1 group hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS	

354		35hp, wheel tractor 4x4, Overall Size:3150x1450x2030,weight:1400kgs, Four stroke diesel Engine: Laidong KM385, 4 cylinders, 8F+2R shift, single clutch, hydraulic steering type,front tires 6.0-16, rear tires 9.5-24, 1 group hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS	
404		40hp, wheel tractor 4x4, Overall Size:3150x1450x2030,weight:1400kgs, Four stroke diesel Engine: Laidong KM385, 4 cylinders, 8F+2R shift, single clutch, hydraulic steering type, front tires 6.0-16, rear tires 9.5-24, 1 group hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS	
504		50hp, wheel tractor 4x4, Overall Size:3150x1450x2030,weight:1400kgs, Four stroke diesel Engine: Laidong KM385, 4 cylinders, 8F+2R shift, single clutch, hydraulic steering type, front tires 6.0-16, rear tires 9.5-24, 1 group hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS	
604		60hp, Wheel tractor 4x4, Overall Size:3515×1510×2130,weight:1760kgs Four stroke diesel Engine: YTO, 4 cylinders, 8F+2R shift, single clutch,front tires 6.0-16, rear tires 9.5-24, 1 group hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS	

Remark	<p>1) Tires size optional: 6.5-16/11.2-24,7.5-16/12.4-24(\$100)</p> <p>2) Cabin(heater), cost increased \$800</p> <p>3) 2 group hydraulic output, force up and down, increased \$200</p> <p>PTO optional:540/1000 rmp</p> <p>4) Air brake, increased cost \$100</p>		
704NB		<p>70hp, Wheel tractor 4X4, Overall Size:3790×1320×2130,weight:2600kgs, YTO Diesel Engine, Front tires 8.3-20, Rear tires 12.4-28, Hydraulic steering, 4 cylinders, 8F+2R shift, double clutch, PTO speed:540/760 , forced up and down, 1 group hydraulic output, Front and back counterweight, PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS</p>	
804NB		<p>80hp, Wheel tractor 4X4, Overall Size:3790×1320×2130,weight:2600kgs, YTO Diesel Engine, Front tires 8.3-20, Rear tires 12.4-28, Hydraulic steering, 4 cylinders, 8F+2R shift, double clutch, PTO speed:540/760 , forced up and down, 1 group hydraulic output, Front and back counterweight, PTO output shaft 6 keys,3 point linkage, with differential lock, canopy with ROPS</p>	

FARM TRACTOR 8+8 SHIFT PRICE

Model	Photo	Configuration	
504		50hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3515×1510×2360,weight: 2000kgs Four stroke diesel Engine: YTO, 4 cylinders, 8F+8R shift, double clutch, forced up and down, front tires 6.5-16, rear tires 11.2-24, 2 groups hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock	
604		60hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3515×1510×2360,weight: 2000kgs Four stroke diesel Engine: YTO, 4 cylinders, 8F+8R shift, hydraulic steering, double clutch, forced up and down, front tires 6.5-16, rear tires 11.2-24, 2 groups hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock	
704		70hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3515×1510×2360,weight: 2000kgs Four stroke diesel Engine: YTO, 4 cylinders, 8F+8R shift, hydraulic steering, double clutch, forced up and down, front tires 6.5-16, rear tires 11.2-24, 2 groups hydraulic output, front and rear counterweights,PTO speed:540/760 ,PTO output shaft 6 keys,3 point linkage, with differential lock	
Remark	1.Tire size optional:7.5-16/12.4-24,7.5-20/12.4-28 cost incresed \$220. 2.If with canopy, cost decrease \$750 3.If without air conditioner,cost decrease \$400 4. PTO optional:540/1000 rmp 5. If added air brake, increase cost \$80		

FARM TRACTOR 12+12 SHIFT PRICE

Model	Photo	Configuration	EXW price CNY
504		50hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3500×1615×2130,weight: 2160kgs, Four stroke diesel Engine: Quanchai4110, 4 cylinders,12F+12R shift, Hydraulic steering,double clutch, Front tires 9.5-24, Rear tires 14.9-30, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
604		60hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3500×1615×2130,weight: 2160kgs, Four stroke diesel Engine: Quanchai4110, 4 cylinders,12F+12R shift, Hydraulic steering,double clutch, Front tires 9.5-24, Rear tires 14.9-30, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
704		70hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3700×1710×2360,weight: 2300kgs, Four stroke diesel Engine: Quanchai4110, 4 cylinders,12F+12R shift, Hydraulic steering,double clutch, Front tires 9.5-24, Rear tires 14.9-30, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	

804		80hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3700×1710×2360,weight: 2300kgs, Four stroke diesel Engine: Quanchai4110, 4 cylinders,12F+12R shift, Hydraulic steering,double clutch, Front tires 9.5-24, Rear tires 14.9-30, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
904		90hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3900×1910×2810,weight: 2400kgs, Four stroke diesel Engine: Quanchai4110, 4 cylinders,12F+12R shift, Hydraulic steering,double clutch, Front tires 9.5-24, Rear tires 14.9-30, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
1004		100hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size:3700×1710×2360,weight: 2400kgs, Four stroke diesel Engine: Quanchai4110, 4 cylinders,12F+12R shift, Hydraulic steering,double clutch, Front tires 9.5-24, Rear tires 14.9-30, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
Remark	1.Tire size optional:8.3-20/12.4-28 2.If with canopy, cost decrease \$700 3.If without air conditioner,cost decrease \$300 4. If added air brake, increase cost \$80		

FARM TRACTOR 16+8 SHIFT PRICE

Model	Photo	Configuration	EXW price CNY
904		90hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size: 4180×2050×2930,weight: 4000kgs, Four stroke YTO diesel Engine, 4 cylinders,16F+8R shift, Hydraulic steering,double clutch, Front tires 12.4-24, Rear tires 16.9-34, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
1004		100hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size: 4180×2050×2930,weight: 4000kgs, Four stroke YTO diesel Engine, 4 cylinders,16F+8R shift, Hydraulic steering,double clutch, Front tires 13.6-24, Rear tires 16.9-34, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
1104		110hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size: 4180×2050×2930,weight: 4000kgs, Four stroke YTO diesel Engine, 4 cylinders,16F+8R shift, Hydraulic steering,double clutch, Front tires 13.6-24, Rear tires 16.9-34, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
1204		120hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size: 4180×2050×2930,weight: 4200kgs, Four stroke YTO diesel Engine, 4 cylinders,16F+8R shift, Hydraulic steering,double clutch, Front tires 13.6-24, Rear tires 16.9-34, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	

1404		140hp with cabin (heater&air conditioner), Wheel tractor 4x4, Overall Size: 4180×2050×2930,weight: 4200kgs, Four stroke YTO diesel Engine, 4 cylinders,16F+8R shift, Hydraulic steering,double clutch, Front tires 13.6-24, Rear tires 16.9-34, 2 groups hydraulic output, front and rear counterweights, forced up and down, PTO speed: 540/760 or 540/1000, PTO output shaft 8 keys,3 point linkage,with differential lock	
1504		150hp with cabin (heater&air conditioner), Wheel tractor 4x4, TF chassis, 6-cylinder Weichai Engine, 14.9-26 front wheel, 18.4-38 rear wheel, 16+8 shuttle shift, four wheel drive, 13 "double acting clutch, hydraulic steering, strengthened front axle, two-speed PTO, with suspension components, strong lift and strong drop, multi-way valve, air conditioning cab	
1604		160hp with cabin (heater&air conditioner), Wheel tractor 4x4, TF chassis, Weichai state three-six cylinder engine,14.9-26 front wheel, 18.4-38 rear wheel, 16 + 8 shuttle shift, four-wheel drive, 14-inch dual-action clutch, hydraulic steering, two-speed PTO, strong boost and drop, two groups of multi-way valves, air-conditioned cab, ordinary suspension, TC fuel tank, engine guard, power conversion, reversing image, three-way adjustable seat, with 28kg * 11 in front, with 40kg * 4 in the back	
1804		180hp with cabin (heater&air conditioner), Wheel tractor 4x4, TF chassis, Weichai Guo three engine, 14.9-26/18.4-38 Wheel, 16 + 8 shuttle shift, four wheel drive, 14-inch double-acting clutch, hydraulic steering, two-speed PTO, with suspension components, strong lift and drop, three sets of multi-way valves, air-conditioned cab, power conversion, common weight suspension, engine guard plate, TC enlarged fuel tank, reversing image, three-way adjustable seat, with 40kg * 13 in front, 40kg * 4 in the back	

2004		200hp with cabin (heater&air conditioner), Wheel tractor 4x4, TC chassis, Weichai Guo three engine, 14.9-26/18.4-38 Wheel, 16 + 8 shuttle shift, four wheel drive, 14-inch double-acting clutch, hydraulic steering, two-speed PTO, with suspension components, strong lift and drop, three sets of multi-way valves, air-conditioned cab, power conversion, common weight suspension, engine guard plate, TC enlarged fuel tank, reversing image, three-way adjustable seat, with 40kg * 13 in front, 40kg * 4 in the back	
FARM TRACTOR 16+16 SHIFT PRICE			
Model	Photo	Configuration	
2104		200hp with cabin (heater&air conditioner), Wheel tractor 4x4, TG chassis, Weicaiguo three engine, 16.9-28/20.8-38 Wheels, 16 + 16 shuttle shift, four-wheel drive, 14-inch LUK dual-action clutch, hydraulic steering, two-speed PTO, hook suspension component, strong lift, strong drop, three sets of multi-way valves, front and rear counterweight, air-conditioned cab, hook suspension, double side stiffening plates, enlarged step fuel tank, reversing image, chassis heat dissipation, hydraulic heat dissipation, power clutch, front with 40kg * 13 pieces, add 60kg * 4 tablets	
2204		220hp with cabin (heater&air conditioner), Wheel tractor 4x4, TG chassis, Upper Chaiguo three engine, 16.9-28/20.8-38 Wheels, 16 + 16 shuttle shift, four-wheel drive, 14-inch LUK dual-action clutch, hydraulic steering, two-speed PTO, hook suspension component, strong lift, strong drop, three sets of multi-way valves, front and rear counterweight, air-conditioned cab, hook suspension, double side stiffening plates, enlarged step fuel tank, reversing image, chassis heat dissipation, hydraulic heat dissipation, power clutch, front with 40kg * 15 pieces, add 60kg * 4 tablets	

2404		<p>240hp with cabin (heater&air conditioner), Wheel tractor 4x4, TS chassis, Upper Chaiguo three engine, 16.9-28/20.8-38 Wheels, 16 + 16 shuttle shift, four-wheel drive, 14-inch LUK dual-action clutch, hydraulic steering, two-speed PTO, hook suspension kit, high lift, multi-way valve, front and rear counterweight, air-conditioned cab, hook suspension, double-side reinforcing plate, enlarged step-ladder fuel tank, reversing image, chassis heat dissipation, hydraulic heat dissipation, power clutch, front with 40kg * 15 pieces, after with 60kg * 4 pieces</p>	
2604		<p>240hp with cabin (heater&air conditioner), Wheel tractor 4x4, TS chassis, Upper Chaiguo three engine, 16.9-28/20.8-38 Wheels, 16 + 16 shuttle shift, four-wheel drive, 14-inch LUK dual-action clutch, hydraulic steering, two-speed PTO, hook suspension kit, high lift, multi-way valve, front and rear counterweight, air-conditioned cab, hook suspension, double-side reinforcing plate, enlarged step-ladder fuel tank, reversing image, chassis heat dissipation, hydraulic heat dissipation, power clutch, front with 40kg * 15 pieces, after with 60kg * 4 pieces</p>
